Based on its proprietary, Internet-based software platforms, Uhlig LLC provides products and services to customers throughout North America, and is a national leader in the field of cross-media, variable-content publishing. Ambitious, imaginative individuals who embrace change and enjoy expanding the boundaries of traditional design and communication will thrive in our fast-paced, innovation-centered culture.

Uhlig LLC is offering exciting career opportunities for talented and energetic graphic designers with demonstrated design experience.

Job Description:

Successful candidates will have exceptional design skills and a passion for the creative process in collaborating with editors, programmers and other development team members. Substantial design experience required, as well as a portfolio demonstrating a strong eye for type, color, imagery and composition. Candidates who are resourceful and energetic with a competitive nature that demands excellence will excel in our environment.

Experience:

Candidates must possess a bachelor's degree with emphasis in design or have equivalent work experience in a related field and excellent references. Candidates must be proficient in Adobe Creative Suite 4 and have 3-5 years experience working in Adobe Creative Suite applications, especially Illustrator, InDesign and Photoshop. Proven abilities with Dreamweaver and Flash are a plus. Candidates also must demonstrate creative abilities through online portfolios and webpage designs. A working knowledge of Microsoft Office and standard Internet tools is also required. Candidates must also be proficient with relevant PC computer hardware and software platforms, and have the ability to creatively troubleshoot print-production and software-generated technical issues. The ability to meet high expectations within a fast-paced production workflow is necessary for this position.

We provide a culture that emphasizes career development, and fosters personal and professional growth. We work in a modern, high-technology office environment and offer generous opportunities for continuing work-related education and economic advancement. EOE
