

## Web Administrator

Uhlig LLC is offering an exciting opportunity for talented and motivated individuals interested in joining our rapidly expanding technology department. This position will maintain a ColdFusion, SQL, and IIS web farm. Support a number of custom built web applications. Provide analytical statistics on the health of the farm and the applications.

We require the highest level of integrity, commitment to excellence and 24x7 on-call availability. Candidates should be independent, self-motivated and highly analytical, with a proven record of teamwork and dependability. Candidates must be metrics driven with the ability to translate analysis into action and to step outside the numbers when information is incomplete or ambiguous. An individual who is resourceful and energetic with an innovative nature that demands excellence will excel in our environment.

Uhlig LLC is a fast-growing, advanced-technology publishing company specializing in content-rich documents and periodicals that are delivered in web, print and electronic forms. Based on its proprietary, Internet-based software platforms, Uhlig LLC provides products and services to customers throughout North America, and is a national leader in the field of cross-media, variable-content publishing. Ambitious, imaginative individuals who embrace change and enjoy expanding the boundaries of traditional design and communication will thrive in our fast-paced, innovation-centered culture.

### Experience:

Candidates must possess a bachelor's degree in CS or MIS, with a MCSE or MCDBA and at least four years experience with web and SQL technologies. Candidates must have excellent analytical skills, strong attention to detail and good organizational abilities, while being able to read, analyze and interpret complex data. A demonstrated record of successfully handling multiple projects with assigned tasks completed on schedule is required. Additionally, the position requires that individuals must be able to stand for long periods of time and lift a minimum of 50 lbs. Professional platform skills, excellent interpersonal skills and the ability to communicate effectively both verbally and with strong written communication is a must.

We offer competitive compensation and benefits including 401(k) with matching and a culture that fosters business and professional growth. We work in a modern, high-technology office environment and offer generous opportunities for continuing work-related education and career advancement. EOE
